

Tailored Insurance Solutions for Supported Living Providers

At Secure Risk Insurance Brokers, we understand the unique demands of supported living services, where each client's needs require a personalised approach. That's why we believe your insurance cover should be equally flexible and tailored. Our team collaborates with the UK's leading supported living insurance providers to offer a range of customisable policies, ensuring you only pay for the protection you truly need. With over 20 years of experience in care insurance, we're here to guide you towards comprehensive cover that safeguards your clients, staff, and business.

Professional Guidance for Reliable Supported Living Insurance

Our dedicated Care Insurance team has extensive experience assisting supported living providers of all sizes. Whether your services support youth, young adults, individuals with disabilities, or those managing complex mental health challenges, we provide expert advice and support, so you can feel confident you're fully protected.

We're committed to understanding your organisation's specific activities and challenges. If preferred, our brokers can arrange face-to-face consultations to gain a deeper understanding of your needs.

Independent, Ethical Recommendations for Comprehensive Cover

As independent and ethical insurance brokers, our recommendations are based on your specific needs and budget. Typical cover for supported living insurance may include:

- ✓ Public Liability
- ✓ Employers' Liability
- ✓ Professional Liability
- ✓ Management Liability
- ✓ Abuse Cover
- ✓ Buildings & Contents
- ✓ All Risks Cover
- ✓ Loss of Income
- ✓ Money Cover
- ✓ Legal Expenses
- ✓ Medical Malpractice

Secure Risk Insurance Brokers will design a bespoke, all-inclusive insurance package tailored to your supported living organisation. With our risk management insights and flexible cover options, you'll have the comprehensive protection you deserve to focus on what matters most: your clients.
